FOR THE WHISKERS & HAIR.
The subscribers take pleasure in announcing to the citizens of the United States, that they have obtained the agency for, and are now enabled to offer to the American public, the above justly celebrated and world renowned article.
THE STIMULATING ONGUENT
is prepared by Dr. C. P. Bellingham, an eminent physician of London, and is warranted to bring out a thick set of
WHISKERS or a MUSTACHE

It is a beautiful, economical, soothing, yet stimulating compound acting as if by magic upon the roots causing a beautiful growth of luxuriant hair. If applied to the scalp, it will cure baldness, and cause to spring up in place of the bald spots a fine growth of new hair. Applied according to directions, it will turn red or towy hair dark, and restore gray hair to its original color leaving it soft, smooth, and flexible. The "Direct" is a most valuable article in every gentleman's toilet, and after one week's use they would not for any consideration be without it.
The subscribers are the only Agents for the article in the United States, to whom all orders must be addressed.
